SPONSORSHIP OPPORTUNITIES

We invite you to support "Parent Swap," a unique event fostering financial literacy among families.

ABOUT THE EVENT: Through hands-on budgeting activities, children step into their parents' shoes, prioritizing expenses like rent, medical bills, groceries, and more. As families navigate these scenarios, your sponsorship enables us to provide essential resources and showcase your programs, demonstrating your commitment to community empowerment and financial education.

Join us in shaping a brighter financial future for generations to come!
